Since its founding, the Society of the Friendly Sons of St. Patrick has been providing relief for American Irish and many others in need, regardless of their country of origin. The Friendly Sons of St. Patrick Foundation in Cincinnati exists to foster strong Irish heritage by way of our benevolence to the hungry and devotion to the Irish arts.

Proceeds from this year's golf outing will benefit several wonderful organizations in our community.

Thomas J. Geoppinger (O'Geop) was the co-chairman of The Friendly Sons of St. Patrick Annual Golf Outing since its inception in 2003.

He was the owner and President of Matlock Electric Co., Inc. for 55 years. "O'Geop" was a loyal Friendly Son of St. Patrick, serving as President (2006) as well as being a founding member of the Glee Club. Tom was a strong supporter of the Serra Club of Cincinnati and numerous other business and civic organizations. Though not a golfer himself, he valued community and fellowship in all ways, especially when celebrated with an Irish touch. The golf outing committee renamed this event in his honor in 2019 for his untiring support, dedication, and philanthropic spirit.
